

# **Ancom Crop Care Penang Scholarship Program**

## **FAQs**

### **1. What is the value of the scholarship?**

The Ancom Crop Care Penang Scholarship pays for tuition fees up to a maximum of RM10,000 for the duration of the course.

### **2. Does the scholarship pay for other expenses such as accommodation etc?**

No. The scholarship only pays for tuition fees.

### **3. When does the applications for the Scholarship open?**

Applications open on May 15 2023.

### **4. How does a student apply for the scholarship?**

The Application Forms and other details are available on the websites of Ancom Crop Care ([ancomcropcare.com.my](http://ancomcropcare.com.my)) and its parent company Ancom Nylex Berhad ([ancomnylex.com](http://ancomnylex.com)).

### **5. Who are eligible to apply?**

All Penang-born students who have successfully obtained admission to a first-year degree program at any government or private local university or students who are currently already in their 2<sup>nd</sup>, 3<sup>rd</sup>, or 4<sup>th</sup> years.

However, students who have applied to a local university for admission into the 2023 intake and have not received their acceptance letters may also submit their applications. The applications will be considered based on their pre-university exam results.

### **6. How will you identify the students as being Penang-born?**

Through their Identity Card numbers.

### **7. Are students who are already doing the degree courses in universities eligible also?**

Yes, students currently in Year 2,3 and 4 in their university course are also eligible to apply.

### **8. What are the degree programs that qualify for the scholarship?**

Students can enrol in any field of study EXCEPT Medicine and Dentistry. The courses must be recognised by MQA and the Ministry of Higher Education.

**9. Which universities are eligible for the scholarship program?**

The scholarship program is available for students enrolled in any local government or private university that offers degree programmes that are recognised by MQA and Ministry of Higher Education.

**10. How many scholarships are awarded every year?**

We will be awarding about 30 scholarships every year. Each scholarship will be worth a maximum of RM10,000 for the duration of the program. The total value of the scholarships will be RM1 million over 3 years.

**11. Will the scholarship payments be paid directly to the students?**

No. The payments will be made directly to the respective universities.

**12. Upon completion of the study program will the students be contractually bonded to work at the company?**

Yes, the students will be contractually required to serve Ancom Crop Care or any company within the Ancom Nylex Group for a period of 2 years. However, the company may use its discretion to release the scholars from their bonds.

**13. What is the selection process?**

We will process the applications received and shortlist the candidates. Once the applicants have been shortlisted, interviews will be conducted in Penang and Kuala Lumpur.

**14. If students are already on other scholarships, are they eligible?**

No. Students already having other scholarships are not eligible.
